The Homework Calendar

Homework appears as a block, stretching from the issue date to the due date.

The screenshot shows a web application interface for a homework calendar. The top navigation bar is blue with a search bar labeled 'Search for homework' and a notification bell icon with a red '2'. Below the navigation bar, the user profile 'You're viewing Billy Breadsticks homework' is shown on the left. The main content area is titled 'Calendar' and includes tabs for 'My calendar' and 'School calendar'. Below these tabs are filters for 'All teachers', 'All subjects', 'All classes', 'All years', and 'All tasks'. The calendar view is set to 'Week' and shows the dates 'March 9th - 15th, 2015'. The calendar grid displays homework blocks for various subjects and teachers. For example, 'IOS homework (9/DC) Arts Mrs. C. Sibley' is shown on Monday, Tuesday, and Wednesday. 'Firework safety (5/Bett) Physical Education Mrs. J. James' is shown on Thursday, Friday, and Saturday. The blocks are color-coded: green for 'IOS homework', purple for 'Firework safety', and orange for 'IOS homework'.
