

Dear parent/carer,

Having now reached the end of the second term of the academic year, I would like to say a huge thank you for your continued support which has undoubtedly contributed to a very successful return to full time on-site education.

Despite the short period of time that the students have been on site, they have all returned full of enthusiasm and have shown real maturity during the recent asymptomatic on-site LFD testing, and are clearly so thrilled to be back. We are also proud that they have overcome any initial anxieties about returning to school.

Our focus since March 8th has been ensuring that your child has been able to gain confidence again in their learning and that routines and structure are re-established as well as ensuring that their overall wellbeing is supported.

Now that students are back into routines and working hard to make good progress, please remember that our high academic expectations are extended and supported by equally high expectations of uniform and behaviour. As we return from the Easter break, please ensure that that your child returns wearing the correct uniform. If you have any difficulties purchasing uniform, please contact your child's head of year.

I would like to wish you a very happy Easter and we look forward to seeing our students again on Monday 12th April.

Yours sincerely,

Mr T. Harding
Assistant Principal
