

Dear parent/carer,

Having now reached the end of the second term of the academic year, I would like to say a huge thank you for your continued support which has undoubtedly contributed to a very successful return to full time on-site education.

Despite the short period of time that the students have been on site, they have all returned full of enthusiasm and have shown real maturity during the recent asymptomatic on-site LFD testing, and are clearly so thrilled to be back. We are also proud that they have overcome any initial anxieties about returning to school.

Our focus since March 8th has been ensuring that your child has been able to gain confidence again in their learning and that routines and structure are re-established as well as ensuring that their overall wellbeing is supported.

I would also like to take this opportunity to remind you that, as outlined in my previous letter this week, year 10 students are now in a revision period prior to their year 10 assessments taking place between Monday 19th April and Friday 30th April. Because of the disrupted nature of the previous three terms, year 10 have not been able to be formally assessed in line with our normal assessment calendar and it is therefore essential that your child prepares thoroughly for these assessments.

I would like to wish you a very happy Easter and we look forward to seeing our students again on Monday 12th April.

Yours sincerely,

Mr A. Brown
Assistant Principal
