

Dear Parent / Carer,

I would like to begin by sharing with you how proud we are of our year 11 students and the way they have continued to approach the challenges of the year with such maturity and determination.

Now that the assessment season is drawing to a close, it is important that you are aware of the arrangements for the forthcoming period. Following the assessment weeks in May, teachers will continue to teach important knowledge and skills and may collect further evidence to support the grading process.

In addition, we are creating a programme of transition activities to Sixth Form and Further Education, which will be published to students shortly. Until Friday 11th June, year 11 students will be expected to attend their normal timetable, unless attending transition activities.

Following this date, if a year 11 student has completed all their assessments there is no obligation for them to continue to attend the academy. However, if you would like them to remain at the academy an appropriate alternative programme of activities can be provided. Remote learning activities will also be available for all students.

I would like to thank you again for your ongoing support. If you have any questions or concerns, please email info@cowesec.org and we will support as best we can.

Yours sincerely

Adam Brown
Assistant Principal
