

Dear parent/carer,

As we draw close to the end of the academic year, I wanted to express my admiration for our year 13 students regarding their continued resilience and dedication to studies during the past two years. They are a credit to our sixth form and will forever remain a beacon of determination and optimism in the face of uncertainty.

A level results day is Tuesday 10<sup>th</sup> August and the sixth form team will be on hand to assist with university placement confirmation and any other careers and education advice required.

Although the cancellation of exams is far from ideal, I am sure that many students are looking forward to attending the sixth form to collect their results and celebrate a momentous right of passage. The building will be open from 9am for collection of results and the sixth form team will be available to support as required. Please see the [exam certificate form](#) and ensure it is returned to the sixth form team as soon as possible after results day.

I also enclose links to a document from the [Joint Council for Qualifications \(JCQ\)](#) containing details regarding the appeals process, our [centre policy](#) and some informative [FAQs](#).

Island Futures careers advisers are available throughout the exam results period to help talk through options. Contact by phone on 01983 823888 or by email at [island.futures@iow.gov.uk](mailto:island.futures@iow.gov.uk) and a qualified careers adviser will be in touch to talk through your options with you.

It would be incredibly helpful for future generations of sixth form students to learn from the experiences and benefit from the wisdom of previous students. Please encourage your child to join our alumni programme to inspire the sixth form students of the future to follow their dreams and aspirations. [Click here for Alumni Programme.](#)

I look forward to seeing all year 13 students on 10<sup>th</sup> August to celebrate success and offer information, advice and guidance to ensure a smooth transition to a bright and prosperous future.

Yours sincerely

D.Sanchez-Brown  
Assistant Principal  
Head of Sixth Form and Careers
