

CHILD DEVELOPMENT

KS4

Health and Social Care

How do I apply my knowledge of growth to the development of children at different stages?

What are the different age stages studies?
How does a human grow across the age stages?
What are the different areas of development?
What are the characteristics of a child's development from birth to five years old?
What are the key milestones?

Health and Social Care, PE

How do I analyse the impact of different factors on both growth and development?

Which factors may affect growth and development of a child?
How does growth impact development?

How can I learn to promote learning through play?

How do children play?
What is the adult's role when considering child play?

YR10

How can I use my knowledge of play to support the development of children?

How can children be supported through play?
How does play help promote the development of communication, language, socialisation and the control of emotions in children?
How can I develop and demonstrate the necessary skills to support children play and develop?

YR11

How can I develop my knowledge and skills to support individual needs?

What individual circumstances may impact upon the growth and development of an individual?
How can the environment be adapted to meet the needs of individual children with varying circumstances to promote development both in the home and in an early years setting?

What have I learnt which will enable me to understand how to safely support children through play?

How can I create safe environments to support play?

How can I develop my activity planning skills? What are the individual needs?

What environment/circumstances am I working with?
How can I adapt play activities to promote inclusive learning and development?

Exam preparation

How can I make sure I am revising effectively for this subject?
How do I memorise and recall knowledge I need for the exam?
How do I maximise marks in this subject's exam?
What are the gaps in my knowledge and how can I address them?
How do I approach exam questions in this subject to ensure I reach the highest grade?

**Bridging work to Sixth Form
How do children develop?**

What are the different types of play and how do they aid development?
How does play develop across the age stages (birth-8years)?

KS5
