

CHILD DEVELOPMENT KS5

This course follows on from the Level 2 TECH Award but whilst it is an advantage, it is not essential that this has been completed prior to the course.

Health and Social Care

Growth and Development

What are the principles of growth and development? How are they applied from birth up to seven years 11 months?

How do growth and development impact upon each other?

Milestones

What physical developments take place from birth up to seven years 11 months?

Why is it important to recognise and track milestones?

Theories of development

How does development of cognition, language and communication occur?

Which theorists help us to explain the development of cognition, language and communication? How?

YR12

Verbal communication

What are the stages of speech, communication and language development?

How do they link to the overall domains of development?

Literacy and numeracy

How can I support the development of a child's literacy skills through speech, communication and language development?

How can I support the development of a child's numeracy skills through speech, communication and language development?

Development approaches

What approaches can be taken to support the varied needs of individual children?

Which approach is more appropriate given a set situation? Why?

EARLY YEARS PLACEMENT- STUDENTS TO ORGANISE

Exam preparation

- How can I make sure I am revising effectively for this subject?
- How do I memorise and recall knowledge I need for the exam?
- How do I maximise marks in this subject's exam?
- What are the gaps in my knowledge and how can I address them?
- How do I approach exam questions in this subject to ensure I reach the highest grade?
- What do I need to do to prepare myself for university courses?
- What do I need to do to prepare myself for employment?

Risk Assessments

How can I recognise and assess hazards and risks to children and respond to emergencies in early years settings?

How do I demonstrate these skills?

Safeguarding Talk Abuse

What are the different types of abuse?

How do you recognise abuse?

How do early years professionals safeguard children and respond to concerns that a child has been abused?

Nurse Speaker Health and Safety Legislation

What are the legal responsibilities and approaches to health and safety in early years?

What are the procedures for prevention and control of infection in early years settings?

YR13

Improving skills for learning through play

How can I develop my skills to support children's purposeful play and learning?

Why is it important to develop these skills?

Supporting learning through play

What skills did I use when supporting children's purposeful play and learning?

Learning through play

What are the different types of play and learning activities that can be used to aid a child's development?

What are the benefits of each type of play in relation to PIES?

Coursework preparation and completion

- How can I make sure my notes are effectively organised for this subject?
- How do I recall and apply knowledge to the task?
- How do I maximise marks in this subject's coursework?
- What are the gaps in my knowledge and how can I address them before the deadline date?
- How do I approach coursework tasks in this subject to ensure I reach the highest grade?
- How do I approach exam questions in this subject to ensure I reach the highest grade?
- What do I need to do to prepare myself for university courses?
- What do I need to do to prepare myself for employment?
