1. Introduction – behaviour principles

1.1. Underpinning this policy are the beliefs that everyone has the right to:

- Recognition of their unique identity;
- Be treated with respect and dignity
- Learn and work in a safe environment
- Be protected from harm, violence, assault and acts of verbal abuse

1.2. Outstanding behaviour is achieved through a culture and ethos of high expectations, excellent modelling of good behaviour and effective systems that incentivise good conduct and deter poor behaviour.

1.3. We believe that all children can make outstanding progress in their learning, their character development and in their leadership skills in order to become healthy, happy, positive contributors to the world around them.

1.4. Most social, emotional and behavioural skills are learned and need to be modelled, explicitly taught, practiced and embedded. Rather than focusing on unwanted behaviours, the behaviour for learning approach puts value on positive behaviours and restorative approaches to conflict.

1.5. Through our restorative approaches practice, we will develop learners' ability to empathise, reflect and take responsibility for their own actions.

1.6. We will develop children who are confident, self-assured learners with excellent attitudes to learning.

1.7. We expect all to show their respect for each other and behave in a way that supports each other's learning.

1.8. For staff to build effective relationships with children they need to be supported to develop knowledge skills and understanding. Their own emotional health and well-being is vital to positive relationships and will be supported by the academy.

1.9. We see outstanding behaviour as children behaving well, because they know how to, and because they want to, not because an adult tells them to.

1.10. In our academy, everyone will endeavour to understand that communication is at the heart of every behaviour.

1.11. We recognise that behaviours can be an indication of additional learning, social or emotional needs or as a result of attachment, trauma or adverse childhood experiences. Some children some require additional support in their journey to achieving outstanding behaviours. The academy will ensure early identification of behavioural difficulties, and that children are well supported to achieve improvements over time.

1.12. This policy should be read in conjunction with the academy SEND Policy, Anti-bullying policy and Exclusion policy

2. Policy aims

2.1. The aim of this policy is:

2.2. To provide a well-managed, calm, happy, environment for effective teaching and learning

- 2.3. To ensure that everyone feels safe in the academy and that the emotional health and wellbeing of all is safeguarded
- 2.4. To ensure children make an exceptional contribution to a positive learning environment
- 2.5. To encourage all children to have an excellent, enthusiastic attitude to learning enabling lessons to proceed without interruption
- 2.6. To promote zero tolerance of violence, abuse and vandalism
- 2.7. To ensure behaviour related policies, procedures and structures are clear and understood and used consistently by all staff.
- 2.8. To recognise those children who are highly adept at managing their behaviour in classrooms and in social situations
- 2.9. To ensure instances of fixed term and permanent exclusions are rare and that students with additional vulnerabilities i.e., SEND receive effective support.
- 2.10. To facilitate highly effective collaboration with parents, carers, and children to ensure that persistently disruptive behaviours are challenged and eradicated
- 2.11. To facilitate highly effective collaboration with safeguarding partners and external agencies to ensure supportive measures are put in place in a timely and effective way,

3. Student voice

Students say that good behaviour for learning is where all are free to learn away from distraction from others. All teachers should be able to teach and all students should be able to learn.

4. Roles and responsibilities

4.1. Trustees and governors

- 4.2. The trustees are responsible for monitoring the effectiveness of this behaviour for learning policy across the trust and for holding senior leaders to account for its implementation. The Governing body of each academy will receive regular reports on behaviour at its meetings and will hold the principal to account for its implementation in the academy

4.3. Principal

- 4.4. The principal will:

4.4.1. Work with the school community to secure outstanding behaviour, setting high expectations and leading by example.

4.4.2. Ensure that this policy is effectively implemented and that all staff understand and adhere to it

4.4.3. Monitor incidents of unacceptable behaviours, particularly those involving sexual harassment, sexual violence and protected characteristics- age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief and sex

- 4.4.10. Ensure there is effective and regular communication with parents/carers about their child's behaviour

4.5. All staff

- 4.6. It is the responsibility of all staff to act as emotionally intelligent, positive role models for the children with whom they work.
- 4.7. They should:
 - 4.7.1. Help ensure that all children, regardless of race, class, gender, sexuality or SEND have fair and consistent treatment which raises their self-esteem and promotes positive attitudes and behaviour.
 - 4.7.2. Maintain a positive and well-managed learning environment creating a calm, happy, safe climate for effective teaching and learning
 - 4.7.3. Intervene when they encounter poor behaviour and encourage children to reflect on their own behaviour.
 - 4.7.4. Set high standards and clear, consistent expectations so that practice becomes embedded in the learning environment
 - 4.7.5. Follow this policy behavior policy and procedures at all times

- 4.9.1. undertake comprehensive planning to provide challenging, interesting and relevant lessons, which are appropriate to the age, ability and individual needs of children.
- 4.9.2. liaise with parents/carers regarding their child's behaviour where required

4.10. Children

- 4.10.1. Children are expected to follow this policy
- 4.10.2. Children are ambassadors of our academy even when off academy premises. The academy expects all of its children to show respect to one another, to academy staff, and anyone else that they may meet both off- line and online.
- 4.10.3. Bringing intentional harm to other children or staff will not be tolerated
- 4.10.4. Children should, to the best of their abilities and effort:
 - Actively cooperate and support their peers and members of staff to create a positive, safe and productive learning environment for all
 - Be ready to learn by ensuring regular attendance, arriving at the academy and lessons on time and with the correct equipment.
 - Correctly present themselves in Cowes Enterprise College uniform
 - Respect and value the environment and their surroundings.
 - Ensure that the health and safety of themselves, their peers and staff is considered at all times

4.11. Parents

- 4.11.1. Parents play a vital role in ensuring that their children are responsible for their own behaviour in academy.
- 4.11.2. We ask that parents sign the home-academy agreement to indicate that they will respect and support the academy's behaviour policy and the authority of academy staff.
- 4.11.3. We encourage parents to communicate and work with the academy, particularly if they have a concern about their child's behaviour, welfare or learning, which includes:
 - informing the academy of any special educational needs
 - vulnerabilities past or present
 - personal factors that may result in their child displaying unexpected behaviours.

- 4.11.4. We will do as much as is possible to support parents as and when they need it.
- 4.11.5. Parents are responsible for ensuring that their child is ready to learn by arriving at the academy on time, appropriately dressed, rested, nourished and equipped
- 4.11.6. We ask that parents be prepared to attend meetings at the academy with staff or the principal to discuss their child's behaviour and to engage and contribute to any plans put in place to support their child.
- 4.11.7. Parents must strive to attend any reintegration meetings with the academy
- 4.11.8. Parent must strive to support their child's independent learning.

- Medicines or home remedies unless agreed to by the principal and which are included as part of a written medical/health care plan

6. Classroom behaviour expectations

- The academy follows the rules of: Ready, Respectful, Safe.
- Dealing with behavioural problems is primarily the responsibility of teaching staff.
- Teaching staff will use seating plans and a range of de-escalation techniques to encourage good behaviour and create an effective learning environment.
- Praise will be used to set high expectations at the start of the lesson, in conjunction with non-verbal cues and private corrections in order to focus students on learning.
- Lessons will be structured and have a focussed framework, in order to allow students to understand what is being taught and how it links to what they already know.
All staff members will support students' emotional wellbeing and welfare within the learning environment by encouraging students to develop effective social relationships.

When a student acts in a disruptive manner or ignores instructions given by a staff member, the following three steps will be taken:

- Reminder, warning, consequence – the student is firstly reminded of their expectations, if the student's behaviour persists, the staff member will issue a warning. They may move the student from where they are sat in the classroom or exercise other classroom based strategies. If the behaviour persists then the staff member informs the student of the consequences of their disruptive behaviour, such as issuing a detention.
- Removal – if the student's behaviour persists, the staff member may good neighbour a student to another class or for extreme behaviours, they may request on call support who will either support in settling the student or with remove the student from the class in order to avoid affecting the learning experience of other students
- Staff members will remind students that at each stage of the process they have the opportunity to amend their behaviour, rather than escalate it.
- De-escalation techniques will be used at all times.
- Restorative justice is used as an intervention where needed.

Where poor behaviour continues and intervention is necessary, a three-stage progressive intervention process will be followed:

- Stage 1 – the classroom teacher will manage behaviour strategies, sanctions and the three-step process outlined above (R, W, C).
- Stage 2 – if poor behaviour persists, pastoral staff will become involved in managing the behavioural incident alongside Directors of Learning.
- Stage 3 – serious breaches of conduct and persistent offenders will be dealt with by the headteacher and the rest of the SLT.
- The overall aim of the structure of lessons is to actively engage students and to develop their learning skills systematically so that their learning becomes increasingly independent.
- Whilst using the academy corridors and surrounding area of the academy building, students will act in a responsible and respectful manner, as would be expected in a classroom.

7. Attendance

- 7.1. Please also see separate academy attendance policy
- 7.2. Regular attendance at the academy is required by law, and we take attendance very seriously
- 7.3. Irregular or low attendance is a safeguarding concern and may indicate that a child is at risk
- 7.4. Truancy and persistent lateness are also causes for concern and will result in investigation and consequences being applied
- 7.5. Parents or carers will be contacted to discuss possible reasons for attendance issues and any support systems that could help. More information can be found in the academy's attendance policy on the academy's website.

8. Unacceptable behaviour

- 8.1. The following behaviour is regarded as completely unacceptable and will result in disciplinary action and possibly exclusion from the academy on a fixed-term or permanent basis. For more information on exclusions, see our exclusion policy on the academy's website.

- 9.1. The academy will not tolerate the use of drug, alcohol, tobacco, or other harmful or illegal substances of any sort on academy property or during off-site academy activities. Staff members have a professional duty to report incidents.
- 9.2. The academy will discipline any person found to be in possession of drugs, alcohol, tobacco or other harmful or illegal substances. This includes solvents.
- 9.3. In line with Government advice (*DfE and ACPO drug advice for schools Sept 2012*) exclusion is not always the automatic response to a drug incident, and permanent exclusion will only be used in serious cases.
- 9.4. Drug use can be a symptom of other problems or safeguarding concerns i.e., child criminal exploitation, child sexual exploitation, and the academy will involve or refer children to other services when needed.
- 9.5. Whilst there is no legal obligation to report the finding of any suspected illegal substance to the police, we will adhere to local guidance. If it is in the best interests of the child or the school community, the police will be called if an incident occurs.
- 9.6. In most cases the academy will attempt to use the academy's Police Liaison Officer rather than the police.
- 9.7. Only the principal or designated person (VP – DSL) may take the decision to contact the police and agree a shared approach. In making this decision all of the circumstances of the incident will be taken into account and will be actioned on a case-by-case basis. The designated safeguarding lead will automatically be informed.
- 9.8. If the police are called in to interview children, then the academy will do all in its power to inform parents prior to the interview taking place. A parent or responsible adult must be present with the police at the interview.
- 9.9. Any decision to request a police investigation will be informed by the findings of the internal initial investigation and will take account of the quantity and nature of the substance and whether it was held for personal use or to supply others, as well as a range of other factors. If supply is suspected the names of students will be passed to the police together with a full report detailing the incident and we will co-operate fully with the police investigation.

9.10. Misuse of Medication

- 9.10.1. We are aware that it may be necessary for some children to take medication during the academy day (please see the Supporting Students with Medical Needs Policy).
- 9.10.2. Carrying or taking prescription or non-prescription drugs on academy premises without arrangement through a written health care plan is not allowed

- 9.10.3. Misuse of medication could have serious consequences, and any child found misusing medication will be subject to sanction

9.11. Searching and screening

- 9.11.1. The principal and other staff authorised by the principal can search a student for any item if the student agrees, the ability to give consent may be influenced by the child's age or other factors and a decision will be made at the time, on a case-by-case basis as to whether consent can be obtained.
- 9.11.2. Principals and other staff authorised by the principal have a statutory power to search students or their possessions, without consent, where they have reasonable grounds for suspecting that the student may have a prohibited item.

- 9.11.5. Where there is reasonable suspicion that a child or children are in possession of an unauthorised substance they will be asked to turn out their pockets and bags or open their locker
- 9.11.6. Any search of the student themselves will be conducted by a same sex (or that which the student identifies with), member of staff with another same sex staff member as a witness unless there is a risk that serious harm will be caused to a person if the search is not done immediately, and where it is not practicable to summon another member of staff.
- 9.11.7. Staff members may require a pupil to remove outer clothing including hats, gloves, scarves, boots, and coats. The only exception would be headwear worn for religious purposes.
- 9.11.8. Designate staff members may use such force as is reasonable given the circumstances when conducting a search for prohibited items only.
- 9.11.9. Whenever a search is carried out the incident will be logged on CPOMS and will contain:
- the name of the person conducting the search
 - name of the witness
 - student name
 - where the search took place
 - time of the search
 - if anything was found,
 - what was found

9.11.11. Searches, without consent, can only be carried out on school premises, or in a place where the authorised member of staff has lawful control or charge of the child for example on school trips – this power only applies in England

9.12. Confiscation

9.12.1. As long as it is reasonable in the circumstances, academy staff are permitted by law to take temporary possession of any suspected illegal substance or prohibited item,

9.12.2. Staff can also seize any item found which they consider harmful or detrimental to academy discipline.

9.13. Storage and disposal

9.13.1. For drugs or unknown substances, the substance will only be handled by an authorised staff member with health and safety training using appropriate handling procedures and safety equipment. It will be placed in a lockable, secure location and the police notified in order for them to collect it.

9.13.2. Alcohol and tobacco products will be confiscated and disposed of by the academy.

10. Use of reasonable force

(DfE Use of Reasonable Force Advice for Headteachers, Staff and Governing bodies July 2013)

10.1. Cowes Enterprise College, an Ormiston Academy recognises that schools and other settings have a duty of care towards their children and staff. It is therefore necessary and appropriate to proactively plan for challenging behaviour to prevent injury or damage.

10.2. The use of reasonable force must always be a last response to challenging behaviour. De-escalation techniques that are appropriate to the child set within a positive approach to behaviour, must always be used in the first instance. However, it is acknowledged that there may be a very small number of circumstances where reasonable force may be required

10.3. Reasonable force will only be used to prevent children from hurting themselves or others, from damaging property or from causing disorder

10.4. Schools do not require parental consent to use reasonable force.

10.5. Reasonable force is – reasonable in the circumstances, meaning using no more force than is needed. Schools cannot use force as a punishment.

10.6. Positive handling plans

10.6.1. Where a child's behaviour could present a significant risk of injury to themselves, other people or property the academy will complete a risk assessment and determine if an individual child requires a positive handling plan to be put in place.

- 10.6.2. These plans should be developed in the child's best interests and agreed by staff, parents and the child concerned wherever possible. They will be reviewed at least termly or when the needs of the child change.
- 10.6.3. The plan should document situations that may provoke challenging behaviour and any successful preventative strategies. The plan should also document how physical intervention should be used appropriately.

10.7. Responding to emergencies

- 10.7.1. Even the best planning systems cannot cover every eventuality, the academy recognises that there are unforeseen or emergency situations to which staff will need to respond at pace.

10.8. Physical intervention should be:

- In the best interests of the child
- Necessary, reasonable and proportionate
- Intended to reduce risk
- The least intrusive and restrictive of those options which are likely to be effective
- Staff must avoid touching or restraining a child in any way that could be interpreted as sexual or inappropriate conduct

10.9. Recording, reporting and responding to incidents of positive handling/use of reasonable force

- 10.9.1. Any incident of positive handling/use of reasonable force must be recorded on CPOMS using the Trust Positive Handling Record Form (see appendix of this policy) as soon as practicable and within 24 hours of an incident taking place by all those involved.
- 10.9.2. Parents/carers will be informed on the same day as the incident and invited into school to discuss the incident as soon as practicable.
- 10.9.3. The principal must inform their regional director/Director of Primary and SEND and the trust deputy safeguarding manager (behaviour and attendance) of all incidents of positive handling/use of reasonable force.
- 10.9.4. A review of the incident must be conducted by the principal and DSL with 5 working days and any positive handling plan put in place or updated as appropriate
- 10.9.5. Governors will be informed of the number of positive handling/use of reasonable force incidents at full governing body meetings
- 10.9.6. All staff working within a school or setting should be aware of their whistleblowing policy and how to use this to escalate concerns regarding the misuse of restraint as necessary.

10.10. Support for children and staff following an incident

- 10.10.1. When a serious incident occurs, it can be upsetting for all involved and may result in injuries to children or staff.
- 10.10.2. Immediate action will be taken to provide first aid for any injuries or medical attention sought for more serious injuries.

- 10.10.3. Emotional support for children and staff must also be considered after the incident has occurred

10.11. Training

- 10.11.1. Wherever possible positive handling/use of reasonable force will be carried out by trained staff who are competent in the use of a recognised behaviour management system (e.g., Team Tach)
- 10.11.2. However, it is also recognised that individual members of staff have a statutory power to use reasonable force without this training.
- 10.11.3. All staff will be trained in de-escalation.

10.12. Responding to incidents of sexual harassment, violence

- 10.12.1. The academy will follow guidance for responding to incidents of sexual violence and sexual harassment as laid out in *Keeping Children Safe in Education 2021* part 5 and *DfE Guidance Sexual Violence and Sexual Harassment between Children in Schools and Colleges Sept 2021* and the academy Child Protection and Safeguarding Policy)
- 10.12.2. Sexual violence and sexual harassment can occur between two children of any age and sex, from primary through to secondary stage and into colleges. It can occur through a group of children sexually assaulting or sexually harassing a single child or group of children.
- 10.12.3. Sexual violence and sexual harassment exist on a continuum and may overlap; they can occur online and face-to-face (both physically and verbally) and are never acceptable.
- 10.12.4. Sexual behaviour between children can be considered harmful if one of the children is much older, particularly if there is more than two years difference or if one of the children is pre-pubescent and the other is not. However, a younger child can abuse an older child, particularly if they have power over them for example if the older child is disabled or smaller in stature.
- 10.12.5. All staff at the academy will maintain an attitude of 'it could happen here' and never dismiss something as 'banter'
- 10.12.6. The following behaviours are not acceptable under any circumstances
- Rape
 - Assault by penetration
 - Sexual assault
 - Causing someone to engage in sexual activity without consent
 - Sexual comments such as telling sexual stories, making lewd comments, making remarks about clothes and appearance and calling someone sexualized names

 - Deliberately brushing past someone, interfering with someone's clothes, displaying pictures, photos or drawings of a sexual nature
 - Online sexual harassment including consensual and non-consensual sharing of nudes or semi-nudes, images and/or videos (taking and sharing of nude photos of under 18s is a criminal offence)
 - Sharing of unwanted explicit content
 - Upskirting (also a criminal offence)
 - Unwanted sexual comments or messages including on social media

- Sexual exploitation, coercion or threats
- 10.12.7. Addressing inappropriate behaviour (even if it appears to be relatively innocuous) can be an important intervention that helps prevent problematic, abusive and/or violent behaviour in the future.
- 10.12.8. Any report of sexual violence or sexual harassment will be taken seriously, and all victims will be reassured that they are being taken seriously and that they will be supported and kept safe.
- 10.12.9. A victim will never be given the impression that they are creating a problem by reporting sexual violence or sexual harassment. A victim will never be made to feel ashamed for making a report
- 10.12.10. Staff will be aware it is more likely that girls will be the victims of sexual violence and sexual harassment and more likely it will be perpetrated by boys.
- 10.12.11. All incidents of sexual harassment, abuse or violence are taken very seriously by the academy and details of how the academy will respond are outlined in the Child Protection and Safeguarding Policy

11. Disciplinary sanctions

11.1. The academy operates using the following disciplinary measures:

12. Unacceptable behaviour outside the academy

- 12.1. Community partnership and cohesion is extremely important at Cowes Enterprise College, an Ormiston Academy. - 12.2. All unacceptable behaviour occurring anywhere outside the academy, which have been witnessed by a staff member or reported to the academy, will be addressed using the academy's sanctions and consequences procedures
