

Educate for life

Dear Parents and Carers,

I am writing to let you know that next week, on Monday, Tuesday and Wednesday, Year 7 students will have the opportunity to go on a local Geography field trip to Cowes High Street. This forms part of their Maritime Futures Curriculum where they will be investigating how Cowes has developed into an important Maritime town.

Students will be travelling in their humanities classes during periods 1 and 2 only (0850 – 1050) and on the days shown below. They will not need any special arrangements for the day, other than ensuring that they come to school with appropriate clothing for poor weather.

If you have any questions, please contact the school office on (01983) 203103 or email info@cowesec.org

Yours sincerely,

Mr T. Harding
Vice Principal
