

Dear Parents/Carers,

As you are aware, Year 8's have been working hard to achieve their Murray Award through the social action project #WeWill Explore. Part of this project involves the students visiting Lanesend Primary School to complete their Enrich Education orienteering course and in turn, the year 4 students will visit CEC during the following weeks.

The students will be taken by English class on Monday 7th and Monday 14th November. Please find the classes below and their #WeWill Explore trip date.

Monday 7 th November	Monday 14 th November
8XYEN1	8XYEN5
8XYEN2	8XYEN6
8XYEN3	8XYEN7
8XYEN4	8XYEN8
	8XYEN9

Both trips will take place during lessons 1 and 2. We will walk together to Lanesend primary school, spend an hour completing the course and then will return to school in time for break.

Students will be expected to wear full CEC uniform but to also include outerwear to take into account that this activity will be based outside and will continue regardless of weather conditions. Students are also encouraged to ensure that they have a bottle of water with them.

We look forward to experiencing this enrichment opportunity with the year 8 students. The work that students have been completing during tutor time, Cowes Charter, PE and Geography will all contribute to a successful trip for them. Students have been developing their teamwork, leadership and geographical skills over the past half term and will continue to explore and develop over the coming weeks.

If parents/cares have any further queries, then please get in touch with the #WeWill Lead Mrs Thomas.

Yours sincerely,

Charlene Thomas
