

6th February 2023

Dear parents/carers,

This letter provides information on our on-site lockers and how these can be accessed.

Our lockers are available on a rental basis and if you wish to go ahead with the locker rental, you will have a direct arrangement with a private company, Secure Locker Rental, for that period of time. The lockers have a combination lock on the handle of each locker which is set by the student.

I have attached information from the locker company about the benefits of lockers and operating instructions. I have also included at the bottom of this letter, the direct link to the locker company website if you decide to go ahead.

The cost of a locker is currently £24 per whole academic year. If you are to purchase a rental during the school year, this price will be calculated on a pro-rata basis. Following the purchase of a rental agreement, the company will then send you the number of the locker and its designated combination (this is your information only).

If students have any issues with their locker, the Site Team are happy to help. More information is available on the Secure Locker Rental website: <https://locker.rentals/>.

Yours sincerely,

Mr S Williams
Facilities Manager
