

SIMS Parent

You will receive a registration email from **noreply@sims.co.uk** containing a unique invitation code. please check your SPAM or JUNK folder.

Open the email and click the link as instructed. A new Internet browser window will open and you will be asked to Sign in.

There are two ways to set up a SIMS Parent account: **SIMS ID** or use an **External Account**:

SIMS ID

You can create a **SIMS ID**

Please enter your email address and invitation code here

You will be asked to enter the date of birth of your child in DD/MM/YYYY format (e.g. 01/01/2001)

You will then be asked to create a Strong Password

Account Registration

Your account has been successfully created. You are now able to log in.

We have sent you an email to confirm your email address. This is necessary to allow you to be able to reset a forgotten password.

Please read the email and follow the instructions to validate your email address.

Remember to check in your SPAM folder

External Account

or use an existing account (**Apple, Google, Microsoft, Facebook or Twitter**) to set up an account.

Select the account of your choice

Log in using the email address and password used for that account (e.g. if using Facebook, use your Facebook email and password)

When prompted, enter the invitation code

You will be asked to enter the date of birth of your child in DD/MM/YYYY format (e.g. 01/01/2001)

You should now have access to SIMS Parent

Please note that whichever option you use to sign up for SIMS Parent will be used each time you need to sign in.

If using an external option you will need to use the email address and password associated with your chosen account.

If you change your password on an external account, you will need to use your new password when logging in to SIMS Parent.
