

Educate for life

Dear Parents and Carers,

I am writing to let you know that in w/c 9th October, Year 7 students will have the opportunity to go on a local Geography field trip to Cowes High Street. This forms part of their Maritime Futures Curriculum where they will be investigating how Cowes has developed into an important Maritime town.

Students will be travelling in their humanities classes 2 period only on one of the days listed below. They will not need any special arrangements for the day, other than ensuring that they come to school with appropriate clothing for poor weather and in full school uniform. A packed lunch is not required as the trip does not overlap the lunch period.

Your child will be given a trip consent form in tutor on Monday, please complete and return by Friday 22nd September. This is a mandatory consent form that provides consent for your child to attend offside trips during the course of the year.

If you have any questions, please contact the school office on (01983) 203103 or email info@cowesec.org

Yours sincerely,

Mr T. Harding
Vice Principal

Monday 9th October

7x1 Mrs Olford's Monday Geography class
7x3 (Alex) Mrs Kingswell-Cleaves' Monday Geography class

Tuesday 10th October

7x4 Mrs Wiltshire's Tuesday Geography class
