**RE: February Half-Term Revision**

Dear Parents,

In addition to the revision booklet that all Year 11 students have to support their preparation for assessments after half-term, we will be keeping the academy building open next week to provide Year 11 students with a selection of revision sessions, outlined below.

To make the most of this time and to support us with our planning, please complete [the revision sessions form](#) to indicate which sessions we can expect your child to attend.

We ask that this form is pleased completed by 3pm on Friday 9<sup>th</sup> February.

When your child arrives at the academy, they will be met in reception and sign in with the teacher leading the session.

At the end of the sessions, they will be escorted back to the main reception to sign out and will not be able to re-enter the building.

Unfortunately, there will be no canteen facilities during this week, so students should bring a drink / snack to sustain them through the session.
