

Dear Parents and Carers,

**RE: Year 10 Summer Assessments**

Year 10 students have 'in-class' assessments between 10<sup>th</sup>-14<sup>th</sup> June 2024. This will be an opportunity to track their progress on the GCSE courses and continue the process of preparing them for their final GCSE assessments.

It is expected that between now and the assessments that students engage in revision. To allow you to support your child in preparing, please follow this [link to an online copy of the revision booklet](#) issued to students, which contains details of suitable revision activities and the main topics to revise, these will also be set on Satchel:one, for ease.

A reminder of the CEC revision method can also be found by clicking [here](#). Also attached to this communication is a copy of the schedule for the assessments.

If you do have questions about any aspects of the assessments, please contact [info@cowesec.org](mailto:info@cowesec.org) stating the subject you would like to discuss.

Yours sincerely,

Adam Brown  
Assistant Principal  
Head of Key Stage 4
