

**#BeeWell Programme**

Dear parent/carers,

We are excited to be supporting the #BeeWell programme in the Autumn Term. #BeeWell is England's largest youth-centered programme focused on young people's wellbeing and designed to bring together schools, communities and young people and act together for positive change.

In the Autumn term, pupils in Year 9 and 10 will take part in an online survey about their wellbeing. Attached is an opt-out form from the University of Manchester detailing the research they are undertaking and answering frequently asked questions about the project.

If you choose to opt your child out of this research, please complete the opt out form and email directly to the University of Manchester by 27<sup>th</sup> September.

We thank you in advance for your consideration and support.

Kind regards,

Danielle Godfrey
