

Dear Parents/carers,

RE: February Half Term Revision

Firstly, please congratulate your child for an excellent first spring half term. We were impressed to see the majority of Year 11 students attending Further Study on a daily basis. Thank you for your support in ensuring that they attend both targeted and open sessions.

Students have been informed that in order to adequately prepare for their Summer exams, they are strongly encouraged to complete a minimum of 2 hours of revision per day. This can be completed through Further Study attendance, independent revision at home, or independent revision in our library.

We continue to encourage students to have their Prom Passports signed upon completion of Further Study/library attendance to receive a £10 discount on the overall prom ticket cost, and to receive further rewards. Our recent Grace's Bakery donut delivery was particularly well received!

As we quickly approach the half term, some departments have generously offered to lead revision sessions for students to support their half term revision.

To make the most of this time and to support us with our planning and ordering of refreshments, please complete this form: [Feb half term revision](#) to indicate which sessions we can expect your child to attend. We ask that this form is completed by 5pm on *Wednesday 12th February*.

When your child arrives at the academy, they will be met in reception and sign in with the teacher leading the session. At the end of the sessions, they will be escorted back to the main reception to sign out and will not be able to re-enter the building.

Students will not be able to go on and off site during their sessions. Unfortunately, there will be no canteen facilities during this week, so students should bring a drink / snack or packed lunch to sustain them through the session.

Kind regards,
