

Educate for life

Dear Parent/carers,

As Easter approaches, we wanted to thank you for your support throughout the term. We have been extremely proud with how the students have applied themselves in their first set of GCSE mock assessments. We have seen the Year 10s gain confidence in their learning and this will impact positively on the in-class assessments they will complete towards the end of next term.

Now that students are aware of our Key Stage 4 routines and high expectations for quality academic work, uniform and behaviour; we ask that you please ensure that that your child returns in the summer term, with all the equipment they need, wearing the correct uniform, in-line with our policy. We will continue to support your child's wellbeing and develop good study habits, including effective revision techniques, which will allow the students to enjoy the challenge of their courses.

Finally, we would like to wish you an enjoyable Easter break and we are very much looking forward to welcoming our students back into the Academy on Tuesday 22nd April 2025.

Yours sincerely,

Mr A. Brown
Assistant Principal
