

Dear parent/carers,

Having now reached the end of the second term of the academic year, I would like say a huge well done to the students for their efforts in the last round of assessments and thank you for your continued support that will have undoubtedly contributed to the progress that your child has made this term. Our programme of morning support has begun earlier than ever, with morning masterclasses being well attended and many students enjoying the revision breakfasts, in which students are invited to revise from 8am to 8:30am; and have tea or coffee on us. Information on our schedule of study sessions planned during the Easter break has been shared. These are open for all students to attend and we would appreciate your support in encouraging your child to attend.

During the summer term, Year 11 students will be asked to continue to revise both in the academy and at home. All students have received a revision booklet, which is linked here: [Year 11 Revision Booklet](#), it gives prescribed activities to be completed. Students should now be working from their revision plan they have devised with support from their form time, an example of this can be found at the front of the revision booklet. Please ask your child about the revision booklet and support them in establishing an ambitious study plan. If you are concerned that they do not have clarity in how, when or what to revise please contact info@cowesec.org, so we can offer further support.

Students now have their personal exam timetables and we will begin our final push in preparing for the exams. There will be many in-school and after-school revision and further study sessions. These are predominantly by invitation to ensure the correct students receive the support that they need; a copy of which has already been shared. Your support in ensuring your child attends these sessions will be greatly appreciated.

As with every exam season, next term will be an extremely busy one. Good organisation and effort, spread throughout the build up to exams, will be the key to managing the pressure. We will continue to maintain our high expectations for all students, balanced out with supporting their overall wellbeing. Please be reminded that our high academic expectations are extended and supported by equally high expectations of uniform and behaviour, including punctuality and attendance. As we return from the Easter break, please ensure that that your child returns wearing the correct uniform. If you have any concerns, please contact info@cowesec.org.

I would like to wish you a very happy Easter and we look forward to seeing our students again on Tuesday 22nd April.

Yours sincerely,

Mr A. Brown
Assistant Principal
