Dear Parent/Carer,

Re. Year 9, CECAMM visit

We are extremely excited to advise that from week commencing 22nd April 2025, every student in Year 9 will have an opportunity to visit CECAMM (Centre for Excellence for Composites, Advanced Manufacturing and Maritime) in East Cowes where their specialist tutors will be supporting students in a number of different learning activities related to our maritime curriculum.

We have worked closely with the Isle of Wight College to ensure that the three activities taking place during the course of the morning link directly with the curriculum being delivered at Cowes Enterprise College and provide an opportunity for the students to further consolidate their learning in a practical context.

We will be taking students in their tutor groups, with two groups at a time with one tutor group carefully split across the three sessions. This will maximise the efficiency across the three days, to ensure all Year 9 have the opportunity to attend. Each visit to CECAMM will be on a Friday. Please see the schedule below.

Students will be travelling by coach, leaving CEC at 8:40am immediately after registration and returning at 12:30pm. Please could you ensure that they are wearing school uniform and have a packed lunch for the trip. If your child is in receipt of free school meals and would like a school packed lunch, please let Mrs Rudd know before Wednesday 23rd April, which is in advance of their visit.

If you require any further information about the trip, please do not hesitate to contact your child's Head of Year, Mrs J Rudd – jrudd@cowesec.org

Yours sincerely,

Mr A Green
Head of Design Technology, Deputy Director of Learning
