October Half Term Revision

Dear Parents/carers,

Firstly, please congratulate your child for an excellent first Autumn half term. We were impressed to see the majority of Year 11 students attending Further Study on a daily basis. Thank you for your support in ensuring that they attend these sessions.

Students have been informed that in order to adequately prepare for their Summer exams, they are strongly encouraged to complete a minimum of two hours of revision per day. This can be completed through Further Study attendance, independent revision at home, or independent revision in our library. An additional copy of the Year 11 revision guide for the upcoming mock series is attached below.

We continue to encourage students to have their Prom Passports signed upon completion of Further Study/library attendance to receive a discount on the overall prom ticket cost, and to receive further rewards. This Friday, we will be rewarding those who have participated actively in our Further Study revision programme. Those who are also attending these sessions have been entered into our Year 11 raffle with big prizes to win later in the year.

As we quickly approach the half term, some departments have generously offered to lead revision sessions for students to support their half term revision. This revision will complement our Further Study programme in preparing students for the upcoming mock exams between 10th and 28th November.

To make the most of this time and to support us with our planning and ordering of refreshments, please complete this form to indicate which sessions we can expect your child to attend. We ask that this form is completed by 11am on Friday 24th October.

When your child arrives at the academy, they will be met in reception and sign in with the teacher leading the session. At the end of the sessions, they will be escorted back to the main reception to sign out and will not be able to re-enter the building. Students will not be able to go on and off site during their sessions. Unfortunately, there will be no canteen facilities during this week, so students should bring a drink / snack or packed lunch to sustain them through the session.

If you would like to contact us about the October half term sessions, please email info@cowesec.org.

Kind regards,
