# What is the KS4 Cowes Charter?

Our Key Stage 4 Charter is a continuation of our guarantee to you as a Cowes Enterprise College student.

Participation is an integral and compulsory part of being a successful student at Cowes Enterprise College. The Charter is designed to provide a continuous and refined set of experiences and skills to allow for a smooth transition from Key Stage 3 and progress into our 6th form or onto further education and training.

You will be responsible for tracking and recording your progress through the Charter and will be supported by your form tutor in doing so. Your involvement and commitment to this charter will help you to develop as a person, build confidence and promote academic success.

Ultimately the use of this charter will enable you to continue to be the best you can be.

# Six Pillars of Enrichment

**Experience** – encounters with a range of people, places, and events

**Think** – develop a broad general knowledge which acts as the foundation of success in other areas of education; engage critically with topical and contentious issues.

**Practice** – become familiar and proficient with skills related to a broad range of fields; enhance and master skills related to their individual passions.

**Contribute** – be active members in their lessons, teams, school, community and wider society; exert influence over issues they care about; share their skills, knowledge and passions for the benefits of others.

**Commit** – make informed decisions about next steps within and beyond school.

**Celebrate** – take pride in identity, culture, and achievements; appreciate the identity, culture and achievement of others.

## 1. Make a strong transition from KS3 into KS4.

## 2. Write a letter to your future self about what you would like to achieve by the end of Year 11.

### 3. Be supported in developing study and revision skills.

### 4. Make effective use of GCSE Pod and Seneca.

**5. Borrow a book from the library to read during Year 10.**

**6. Participate in Year 10 enrichment clubs, providing opportunities to extend your understanding and develop a specialism, in areas of particular interest.**

## 7. Improve attainment by enjoying the challenge.

## 8. Take part in a well sequenced Year 10 curriculum.

**9. Now that you have had a full term studying GCSE subjects, set SMART targets for the future.**

**10. Meet a Sixth Former who will share their experience of Sixth Form at CEC.**

**11. Take part in Year 10 mock examinations to give you the confidence and experience to perform well in your final GCSE examination. This will also give accurate and reliable information about your progress and how you can be best supported.**

**12. Attend Year 10 Parents' Evening to share key information from your teachers, so that you are fully supported throughout your courses.**

**13. Reflect on your GCSE target grades and identify three priorities.**

A large, empty rectangular area enclosed by a dashed border, intended for students to write their reflections and priorities.

**14. Further your horizons and future opportunities by studying a new language.**

A large, empty rectangular area enclosed by a dashed border, intended for students to write about their future opportunities and the benefits of studying a new language.

## 15. Reflect on your use of revision booklet for Year 10 mocks.

## 16. Raise awareness of a local charity.

## 17. Gain leadership opportunities through the completion of social action campaigns.

## 18. Every student will have the opportunity to watch a performance of a key GCSE text.

## 19. Learn and reflect on British Values and their impact on every day life.

## 20. Experience subjects beyond your GCSE options.

## 21. Debate the criminal justice system.

## 22. Reflect on being a responsible citizen in our community.

## 23. Present on a topic related to International Day.

## 24. Reflect on your Year 10 year – what went well? What could you improve in advance of Year 11?

## 25. Take part in an inter-crew activity.

## 26. Take part in Sports Day.
