February Half Term Revision

Dear Parents/carers,

Once again, thank you for your support in encouraging our Year 11 students to embrace all revision opportunities as we approach the formal exam season. We continue after half term to offer a wide range of Further Study revision opportunities, as well as continuing to use Satchel One to signpost students to revision resources.

We will be keeping the academy building open during half term to provide Year 11 students with a selection of bespoke revision sessions, outlined below.

To maximize this time and to support us with planning sessions that meet your child's academic requirements, please complete [this form](#) to indicate which sessions we can expect your child to attend. We politely ask that this form is completed by 3pm on Friday 4th February 2026.

When your child arrives at the academy, they will be met in reception and sign in with the teacher leading the session. At the end of the sessions, they will be escorted back to the main reception to sign out and will not be able to re-enter the building. Unfortunately, there will be no canteen facilities during this week, so students should bring a drink and snacks to sustain them through the session. We will provide some biscuits and crisps.

Kind regards,

Miss D Godfrey
