## **The Week That Was...**

This week at Cowes, students enjoyed taking part in an engaging Royal Shakespeare Company workshop exploring *A Midsummer Night's Dream*.

We also continue to be incredibly proud of our Year 11 and Year 13 students, who have shown resilience, focus and determination throughout the exam season.

A huge well done to all students who represented the College in recent sporting fixtures! Their teamwork, commitment and sportsmanship have been fantastic to see.

# From the Principal's Desk

*By Adrian Price, Senior Principal*

Dear families,

As our Year 11 and Year 13 students begin their examinations, I would like to wish them all the very best. This moment represents the culmination of many years of hard work, commitment and resilience, and we are immensely proud of all they have achieved.

While they enter this crucial period of revision and assessment, life in school continues at pace. This week my focus has turned to Year 10, and I had the pleasure of meeting with a group of students alongside Mrs Godfrey to discuss where they learn best, why this matters, and their wider thoughts on school life.

It was an insightful and engaging conversation, complemented by the outstanding work we have seen in students' books—particularly in Mathematics and Geography—which reflects both their effort and the high expectations they rise to every day.

With kind regards,  
Adrian Price

# Spotlight

## *Mr Rocks 100 Fundraiser*

On Friday the 1st May we ran our first TCS mini marathon event. Students were invited to run, jog, walk, wheel or be guided around a two-mile course around our school field. We even had the option of fancy dress! We had 62 students take part - some ran, some walked and some when all out in fancy dress & 3-legged walking. All students who took part also had the opportunity to donate on ScoPay where monies raised will go towards Mr Rocks 100 challenge in aid of Huntington's Disease. Thank you all so much for raising awareness and setting yourselves a challenge. Overall, with students who took part in the 100 mile walk and the mini marathon we have raised £200!

### *Year 11 Boosters Sessions*

We are so inspired to see lots of our Year 11 students making the most of our morning booster sessions!

From 8am each morning, Year 11 students are encouraged to come in to school for masterclass revision sessions, free breakfast (pictured ) as well as to ensure a calm, focused and prompt start to their exams.

Keep up the great work, Year 11! We're super proud.
