

21st September 2026

The Royal Yacht Squadron Foundation Maritime Careers Fair – Thursday 1st October

Dear Parent/Carer

Your child is invited to attend the RYS Foundation's Maritime Careers Fair on Thursday 1st October. This event will host a broad selection of companies, demonstrating the breadth of opportunity that is available within the marine industry, both on the Island and further afield.

The event is free of charge and will include:

- Over 35 maritime organisations and employers with interactive displays
- A selection of boats in the Yacht Haven, from yachts to workboats to naval vessels and drones, which students will be able to explore - a unique opportunity.
- Young people already in maritime careers to advise and inspire.

The aim of this event is to help young people explore the vast array of careers available and leave with as much information as possible to make an informed choice for their future.

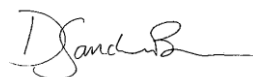

We will be walking to/from the event. Year 7 will leave the college after lunch at 1.00pm and walk to the Royal Yacht Squadron, arriving no later than 1.30pm. We will depart the RYS at 2.15pm and return to the college, to be back in time for end of school.

Academy uniform must be worn for this event.

This will be covered by the Local Area Trip Consent, so please ensure this has been completed on Arbor.

You can find further information about this event at www.rysfoundation.org.uk

Yours sincerely,

Mr D Sanchez Brown
Assistant Principal for Careers
