

Dear Parents/Carers,

I am writing to share how proud we are of the positive start Year 11 students have made this term. Their enthusiasm, determination and commitment to learning have been excellent, and it has been wonderful to see them embracing the challenges of this important year. To recognise this, we have introduced a new Year 11 Ambition Commendation Award, with additional rewards and celebrations for students who demonstrate outstanding effort and ambition.

Please take note of the following key information:

Ambition Evening

We warmly invite you and your child to join us for our Ambition Evening on Wednesday 30th September, 6.00pm to 7.00pm. The evening will provide important information about Year 11, including revision strategies, pastoral support and post-16 opportunities.

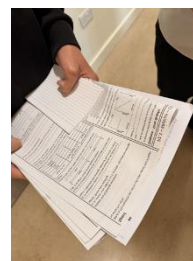

Mock Examinations

Mock exams will take place from 2nd to 20th November. Last week, students attended an assembly in the Exam Hall where we discussed the mock examination process and reminded them that this is a place of success, where they will have the opportunity to demonstrate all they have learned. Students have been provided with revision guidance, exam resources and access to Further Study sessions, and we ask for your support in ensuring excellent attendance throughout this period.

Attendance and Revision

Attendance remains one of the strongest indicators of success at GCSE. Thank you for your continued support in ensuring your child attends school every day. Students are encouraged to make full use of our Further Study sessions, revision resources and Revision Hub, and to establish regular revision routines at home as they prepare for their exams.

Wellbeing

We recognise that Year 11 can feel challenging at times, and supporting student wellbeing remains a priority. Students have access to pastoral support throughout the school day, mentoring opportunities and exam stress workshops to help them feel confident, prepared and supported throughout the year.

Save the Date: Prom 2027

Year 11 Prom will take place on Thursday 24th June 2027 at Northwood House. More details will follow, but we wanted families to have the date in advance. Students have been reminded that Prom is a privilege, with good attendance, positive behaviour and respectful conduct helping to secure their invitation.

We have high aspirations for this year group and look forward to working in partnership with you to ensure every student achieves their full potential.

Thank you for your continued support,

Miss Danielle Godfrey
Assistant Principal

It is never too early to start revising, but it can be too late!

Further Study schedule Autumn 1

Revision sessions - 14:50-15:50

*invited only. Those on this list will change regularly and will ensure that targeted support is received when required.
